Welcome to Mizu

Our goal is to provide our patrons with the finest and healthiest dining experience possible. We understand that people today are more health conscious than they have ever been. We have developed our cuisine to meet those needs. We offer a variety of delicious, low-fat, heart-healthy, portion-controlled entrées. Here are just a few of the steps we have taken to improve the nutrition of our entrées.

- No MSG
- Using 100% cholesterol-free canola oil with zero trans fat
- Using low sodium soy sauce
- Using 100% white meat chicken
- Offering lean-cuts of USDA grade beef
- Most entrées can be modified to meet any delivery concerns
- Listing calories, carbohydrates, protein, fat grams and fiber for most entrées

Our menu was prepared using many recipes passed down from a generation ago. The original chef was a man who loved to cook and spent most of his life dreaming up new ways to improve Asian cuisine for everyone. In keeping up with that family tradition, we at Avenue East wanted to try and make the food not only great tasting, but also great for your health. With the help of Lisa Adler, it is now a reality. Lisa Alder is a Registered Dietitian (RD) and a member of the American Dietetic Association (ADA), the world's largest organization of food and nutrition professionals.

Thank you from all of us at Mizu.
